ROBERT J. SANDY
PRIMARY EXAMINER

Petitions to revive under 37 CFR 1.137(a) or (b), or requests to withdraw the holding of abandonment under 37 CFR 1.181, should be promptly filed to minimize any negative effects on patent term.

Item 7 - Other reasons for holding abandonment: The reply received on 17 May 2005 was a request for a one-month extension in the instant case. In the initial examining process, the credit card to be used for such an extension was found to be invalid. The office of patent initial examination attempted to give Mr. Dennis a call on 6/16/2005 regarding the issue, but a response was never received back. Further, the examiner attempted to give Mr. Dennis a call as well on the 19 of September, but was unable to contact the applicant at the listed phone number as well. .
